Who should be baptized? Baptism is an important step of obedience for every person who has accepted Christ as their personal Savior. We are excited that you are interested in being baptized at Westside Church.

Why should you be baptized? Through the example of Jesus Christ, the Bible demonstrates that baptism is significant in the life of a believer. Jesus was baptized, setting an example for us to follow (Matt. 3:13-15). The act of baptism is an outward sign of an inward work in your life. When you go down into the water it shows to the world that you are following Jesus with your life.

How should you be baptized? Westside Church believes that believers should be fully immersed in baptism, just as Christ demonstrated (Matt. 3:16).

When should you be baptized? Water baptism should be the first step of faith you take after receiving Jesus Christ as your personal Savior (Acts 2:41). It is important that each individual fully understand baptism and its significance in their life. Children 8-10 years old need to complete a kids' baptism workbook (available at the Connect or in kids' classrooms) prior to being baptized. All candidates under the age of 18 must have a parent's signature on their Baptism Registration Card.

Are you ready to be baptized? If you are ready to be baptized, please fill out the attached card and drop it at the Connect. More information is available online at westsidechurch.org or you may contact the Westside Church office at 541-382-7504. Once you have completed the registration form, someone will contact you to schedule your baptism.
