AMAZED!

Easter at Westside Church

When was the last time you were amazed?

Not simply surprised or intrigued, but absolutely astonished and awestruck? For many of us, it's been a long time. It's interesting when you realize that amazement seems to come easily and frequently in the life of a child, but as adults we find that it's increasingly difficult to really be shocked at something new. I'm not sure why that is, but maybe it has to do with over-exposure to awe-inspiring media images. The more we see amazing images on television, the internet and in movies, the more difficult it is to really fascinate us.

As we turn our hearts to Easter this weekend, are you astounded by the events that took place that day? Has the Easter story, told every year, lost its passion and purpose for you? Has it become too familiar? Join with me today as we look back in time and see the astonishing events that surround this day in history. It is my prayer that you experience Easter through the eyes of a child and become truly AMAZED!

Living Life Amazed,

*Scott*
